

Cat on the Crescent

A curled-tail cat perched on the moon, with three stars to keep her company.

1. Print at full size, trim along the dashed line, tape to the pumpkin and trace every edge with a pushpin.
2. Cut the stars first, then the moon in sections, then the cat.
3. Leave the eye, whiskers and the moon's small craters uncut. Shave them into the skin so they still show.
