

Royal Rosettes

A seated Bengal in profile, crowned and covered in rosettes.

1. Print at full size, trim along the dashed line, tape to the pumpkin and trace every edge with a pushpin.
2. The white rosettes sit inside the black, so they would fall out if you cut through. Shave the black cat into the skin instead of cutting it.
3. Leave the rosettes, eye and whiskers as untouched skin. Lit from inside, the cat glows and her spots stay dark.
