

The Little Princess

A rosetted kitten in her first tiara, wide-eyed and ready for the ball.

1. Print at full size, trim along the dashed line, tape to a large pumpkin and trace every edge with a pushpin.
2. Carve the face first: eyes, nose and whisker dots. Then the rosettes on her body, then the tiara.
3. Where black areas nearly touch, leave a thin bridge of skin so the white pieces don't fall out.
